Farmingville, NY – On September 12, Councilwoman Valerie M. Cartright (center) attended the first Setauket Harbor Day at the Brookhaven Town dock and Beach Shore Road in Setauket. Sponsored by the recently formed Setauket Harbor Task Force (SHTF), the event included harbor tours, kayaking, paddle boarding, music and refreshments. There were also educational presentations highlighting the need for a clean, cared-for ecological balance within the harbor.

"Many thanks to the Setauket Harbor Task Force for all of their hard work to bring awareness of the needs of the harbor to the community. It is important that we continue to work together to preserve our harbor and improve water quality," stated Councilwoman Cartright. "Setauket Harbor Day was both entertaining and educational and I look forward to more events like this in the future."
